Your data can travel to another country or be shared with others.

Your personal data may be transferred to and processed in and out of the country, by different people on this company. In that case, your information may be shared with prospective buyers customers to meet the acquired commitment in the service contract.

We will not transfer your personal information to third parties without your consent, except as otherwise provided in Article 37 of the Federal Law on Protection of Personal Data Held by Private Parties and to make this information transfer in the terms established that law:

" Article 37.- Domestic or international transfers of data may be carried out without the consent of the data owner in the following cases:

- I. Where the transfer is pursuant to a Law or Treaty to which Mexico is party;
- II. Where the transfer is necessary for medical diagnosis or prevention, health care delivery, medical treatment or health services management;
- III. Where the transfer is made to holding companies, subsidiaries or affiliates under common control of the data controller, or to a parent company or any company of the same group as the data controller, operating under the same internal processes and policies;

- IV. Where the transfer is necessary by virtue of a contract executed or to be executed in the interest of the data owner between the data controller and a third party; here the transfer is necessary or legally required to safeguard public interest or for the administration of justice;
- V. Where the transfer is necessary for the recognition, exercise or defense of a right in a judicial proceeding, and
- VI. Where the transfer is necessary to maintain or fulfill a legal relationship between the data controller and the data owner”.

If you have no objections of that your personal data could be transferred, shall be deemed to have consented.
